Canaveral National Seashore is seeking volunteers with shallow draft boats to participate in a newly proposed “Island Keeper” program. The “Island Keeper” program is a volunteer system of island campsite keepers to be in charge of maintaining the cleanliness of island campsites located in the Canaveral National Seashore section of Mosquito Lagoon. Volunteers will be provided the necessary training and supplies for the collection and disposal of litter left by campers and other day users or washed ashore as marine debris. For further information contact Park Ranger David Fuellner at (386) 428-3384 ext. 14.
